

Lower Your Energy Costs with Efficiency Maine

Turn up the dial on energy savings with Efficiency Maine. Take advantage of programs, incentives, and even financing to help get your energy efficiency or weatherization project started.

\$500 Rebate Ductless Heat Pumps

Ductless heat pumps are one of the most economical ways to keep a Maine home comfortable all year long.

A \$500 rebate is available on the installation of eligible heat pump units.

\$550 Savings Heat Pump Water Heaters

Heat Pump water heaters can save a family of four more than \$3,000 over the lifetime of the unit.

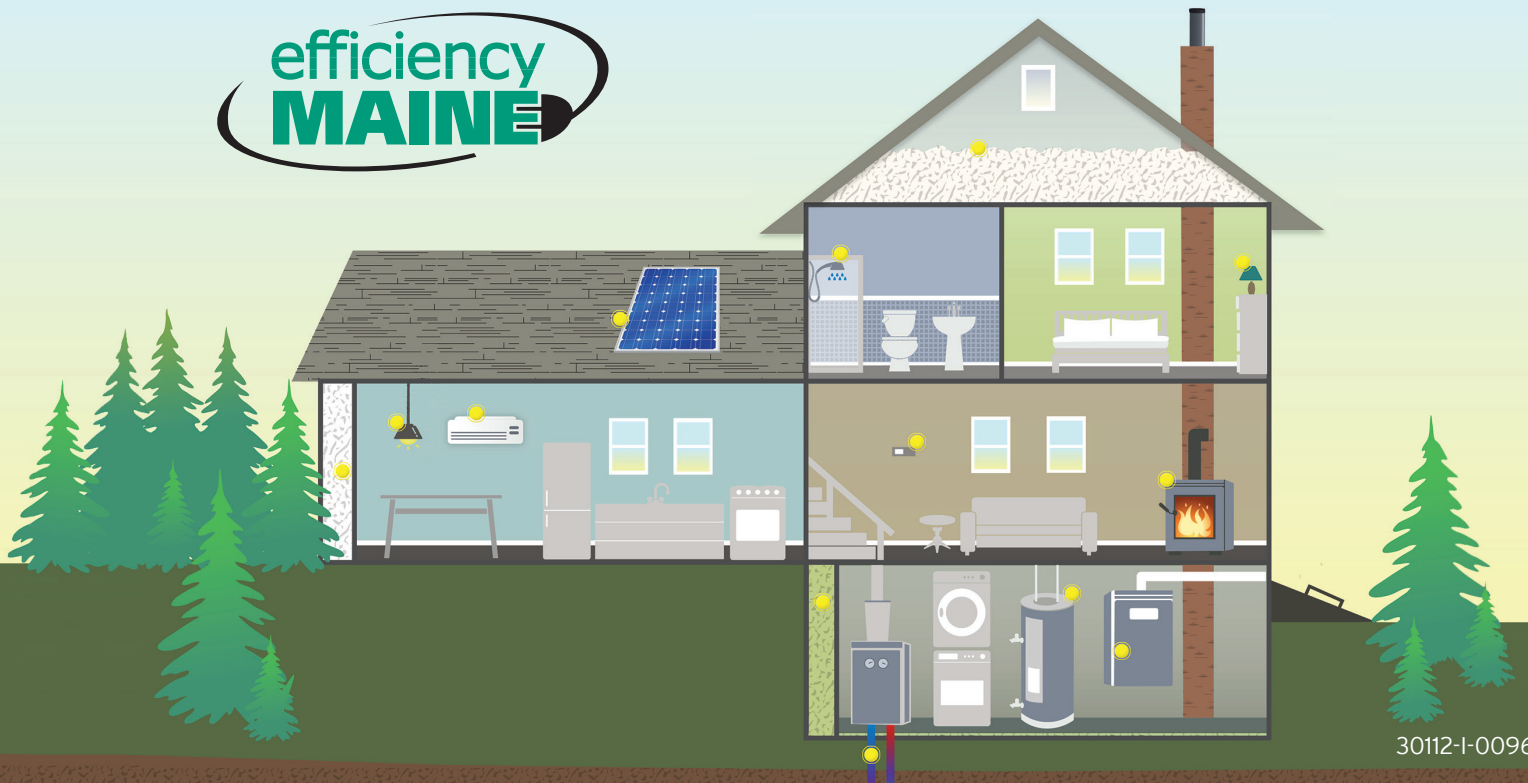

Qualify for a \$250 Efficiency Maine Rebate. You may also be eligible for a \$300 federal tax credit.

\$400 - \$2,600 Rebate Home Weatherization

Save on your energy costs and be more comfortable in your home year-round.

Get between \$400 and \$2,600 for qualifying air sealing and insulation projects.

Learn how you can make your home more energy efficient. Visit www.energymaine.com or call 866-376-2463 for more information, tips, tools, and a listing of registered installers.
